

Dudley's Pale Ale 4.9% POT \$5.5 PINT \$10

A traditional Pale Ale from the 40's and 50's as would have been frequently poured throughout English Taverns and enjoyed by the true muscle men of the era. With a deeply delicious full malt flavour and pleasant hop bitterness from Tasmanian and New Zealand hops. Excellent with all roasts, Wood fired Pizza and Pork Ribs. **An easy drinking and thirst quenching beer. The owners favourite!**

Grand Ridge Golden Ale 4.3% POT \$5.5 PINT \$10

This cloudy golden ale has a substantial proportion of wheat to impart a thirst-quenching tartness on the palate. It is unfiltered and unpasteurised so as to retain the passionfruit aroma and flavour from dry hopping with new season Galaxy hops. **Its lower alcohol percentage makes it a very sessionable beer.**

Grand Ridge Winter Warmer 6.4% POT \$6.5 PINT \$12

This deep velvety stout has an incredibly silky mouth feel from the addition of Vanilla Bean which lingers gently throughout every taste. Luscious Chocolate and Coffee flavours are delivered in abundance from the different combination of dark malts of the highest calibre. The Chilli is very subtle and only appears as a lovely warmth and mild spicy flavour on the third sip. Please be warned that this combination is highly addictive. Enjoy!

TWISTED SISTER CIDER

In keeping with the high quality and purity of the Grand Ridge range of beers, both Twisted Sister ciders use top quality local fruit and are bottled with no added sugar, artificial flavours or concentrates.

Apple Cider 5% POT \$6 PINT \$12

This crisp and refreshing cider has a mildly dry and very elegant finish. You could be forgiven for thinking you were drinking a fine champagne with the complexity in this great cider. The Apple flavour is very clean and lingers gently on the palate. It is sensational over ice and matches well with summer salads. This crisp cider will enhance the subtle flavours in the most delicate dishes.
